Little Eagles Preschool had a surprise visitor in September from Clifford himself! The children were all very excited to meet him and loved listening to the story that was read to them!

Dear Parents,

This school year is off to a great start! We have many new Little Eagles with us as well as many returning Little Eagles! We are very excited to work with your children over the course of this school year and we hope that your child enjoys every second of being here with us! During our first month of school, our Little Eagles have had a visit from Believe in Books, have made new friends, and have begun learning new things.

Our hope is that October is just as wonderful as our first month in Little Eagles Preschool as we continue to learn more and more everyday and have fun. So far in October we have had a lot of fun by participating in the high school's spirit week by dressing up as our favorite super heroes and have also come to school wearing our best black and white outfits. For the remainder of the month, we plan on continuing to learn more about the holidays that are celebrated in October and the change of seasons.
